

View your statement online. Cancel your paper statement today.

With e-statements, it is easier than ever to keep track of your account paperlessly.

Why wait for the mail when you can receive your statement electronically? Online Statements are at your fingertips after the close of every quarter, they're safer and more secure than traditional mailings and, of course, they're free!

To discontinue your paper statements you must be prepared to view your e-statements using online account access.

To opt out of receiving paper statements:

1. You must have an active email account associated with your online retirement account.
2. To review or add an email account: Login to the participant website > scroll over the tab titled "Web Site Settings" > select change email/phone. Add or update your email address.
3. From the "Web Site Settings" tab, select the change notifications option > make sure the "notify me when my quarterly statement is available online" option is selected and "mail a paper copy" is deselected.

If you have any questions, please contact the Participant Call Center @ 1-877-535-6377.
